Registration fees are now overdue. The club has a NO PAY = NO PLAY policy so if you haven't paid before tomorrow night, you are not eligible to play.

## RESCHEDULED GAMES

A few teams have already played their games from last Friday night, but most have theirs rescheduled for this Sunday. Can everyone please make sure they have checked the VJBL website and they know where they are supposed to be. Dragons have rescheduled all their home games at BHS this Sunday so there won't be any training for the teams that usually train there.

## STADIUM SCORING AT BHS

EXCITING NEWS!!!! Stadium scoring will be introduced at BHS on Friday nights in the next week or so. With help from Shane Myers, David Bacon and the generosity of TOSHIBA (HUGE thanks!!), we have acquired 3 laptops meaning we will be able to stop using scoresheets in the very near future.

## TRAINING TIMES AROUND CHRISTMAS

The last training sessions prior to the Christmas break will be the midweek training W/C Monday 11<sup>th</sup> December (next week). Training will recommence on Sunday 21<sup>st</sup> January.

## LOST AND FOUND

We have a grey Dragons hoodie that was left at Padua college during the Southern Peninsula tournament. It is size 14, there is a name written next to the tag but it has faded so can't be read. It most likely belongs to one of our girls (sorry fellas but it smells nice)!

## ELTHAM TOURNAMENT

The Eltham tournament is on from Thursday (night) 25<sup>th</sup> Jan until Sunday 28<sup>th</sup> Jan. This is the only compulsory tournament for Dragons players so the club registers and pays for all teams (teams do not have to enter themselves). Training starts back the Sunday prior to the tournament to give everyone a chance to blow the Christmas cobwebs away.

## ELTHAM TOURNAMENT – DRAGONS GIRL'S DEVELOPMENT TEAMS

Once again this year Camberwell Dragons will be starting its girls development program with teams entered at the Eltham Tournament. We are inviting expressions of interest to Prue by the 8<sup>th</sup> December. Please see details below.

Dragons provide coaches, from either their rep coaches, or current older players to give domestic players the opportunity to experience the largest basketball tournament in the southern hemisphere, and maybe get a feel for playing rep in the future.
