11 th March	Labour Day weekend – NO SUNDAY TRAINING
12 th March	Labour Day – NO TRAINING
18 th March	Round 1 BIG V
30 th March	GOOD FRIDAY – NO GAMES
30 th March – 2 nd April	Adelaide Easter Classic
1 st April	EASTER SUNDAY – NO SUNDAY TRAINING
15 th April	VJBL training recommences

LABOUR DAY WEEKEND – WHAT'S HAPPENING

Please note there is NO training on either Sunday 11th or Monday 12th March due to the Labour Day weekend.

APRIL SCHOOL HOLIDAY CAMPS

SAVE THE DATES - we will be holding the following holiday camps this April:

CAMP 1 – Thursday 12th April: Dragons Players skills camp, full day (all ages)

CAMP 2 – Friday 13th April: Domestic Players camp, full day (all ages)

Full details (prices, venue, camp times) will be released over the next few days.

What a fantastic experience for some of our young Dragons, getting to be part of the Bulla High 5 tunnel at the Melbourne United semi final game last Saturday. A HUGE thank you to our friends at BULLA for making this happen, the Dragons players are still talking about it!

STADIUM SCORING - SINGLET NUMBERS

A few people have asked about how to change incorrect singlet numbers for their team. All of the Dragons' singlet numbers are actually correct in our database and in the VJBL database. However, if a player has worn a different singlet for whatever reason (clash top, loan singlet, number change for new singlet, etc), the number may come up incorrectly for stadium scoring. This is because a player's number remains the same in stadium scoring until it is PERMANENTLY changed. Instructions on how to do this prior to the game are shown below:

Player Numbers

Touch the "Change" button beside the player you wish to edit the number. The player number box will change to yellow and you are able to enter the new number from the keypad on the right.

If you are assigning a new number that will be a permanent change (ie. this is the player's permanent number) click the Team button to the right of their name and it will appear with a (Y) to signify the change.

When you have completed editing the numbers for your team, touch on the "Confirm" button and you will return to the scoring screen.

A video on stadium scoring can be found at:
